Instructions for registering your team for ICPC

Before moving forward to register/create your team, ensure that all the team members

- have created an account on https://icpc.global/,

- have filled in all their personal details (incomplete details might invalidate your profile), and

- have entered the university name as "Jaypee Institute of Information Technology University" (without quotes).

Also note that only one team member should create the team.

Steps to form your team on https://icpc.global/:

- Click on "Create a team" on "Dashboard".

- Select region as "Asia West Continent Contests".

- Select site as "The 2020 ICPC Asia - West Continent Final Contest -> The 2020 ICPC Asia Amritapuri Doublesite Regional Contest -> Asia Amritapuri First Round Online Programming Contest -> Preliminary Online Round".

- Enter your institution as "Jaypee Institute of Information Technology University" . Enter your team name and team member names (prefer entering their registered email ids).

- Finally, click on "Register team(s)".

- Make "Manish Kumar Thakur" (manish.thakur@jiit.ac.in) sir your team coach.

Note: All regional contest team reservations will show as "pending" until processed by the Regional Contest Director.

Once you have successfully "created" your team i.e. followed the above steps successfully and your team status reads "Accepted", fill this form: https://forms.gle/PWFUcyRujrV9GpKv8. Do note that filling this form is very important.
